

Teacher of the Month Program

Please vote for the teacher that comes to mind that demonstrates these qualities:

1. The teacher's participation reflects above and beyond the defined boundaries of their duties and responsibilities.
2. The teacher has developed and implemented a creative instructional strategy, approach or lesson.
3. The teacher demonstrates punctuality and professionalism.
4. The teacher participates in community service projects, fundraisers and events that we partake in.
5. The teacher demonstrates effective communication and outreach across all settings.
6. The teacher connects with your child on a personal level as well as a professional level.

Please vote every month for the Teacher that you feel has showed these characteristics! It is important to us that we reward our employees for their excellence and encourage growth and continued progress.

Voting available on the Teacher of the Month Page on our website.
