Please Help Steve Battle Stage 4 Cancer!

Power & Grace Gymnastics and Dance Inc is hosting a 5K~Fun Run October 29, 2017 to Help Steve Gendall Fight Stage 4 Cancer by raising funds to be used toward his medical expenses.

A note about Steve:

He has devoted a large amount of his free time in years past as a court appointed special advocate (**CASA**) for children. Becoming a CASA volunteer is an investment of time, energy and heart. All volunteers must complete a 30-hour pre-service training and are asked to dedicate themselves to a case until it is closed. **The average case lasts about a year and a half.** CASA volunteers are appointed by judges to advocate for the best interests of abused and neglected children in court and other settings. The primary responsibilities of a CASA volunteer are to review documents, interview the children, family members and professionals in their lives. They provide written reports at court hearings, advocate for the child's best interests and provide testimony when necessary. They seek cooperative solutions among organizations to ensure that the children and their family are receiving appropriate services. These volunteers bring concerns about the child's health, education, mental health, etc. to the appropriate professionals and see that plans are being followed and that mandated review hearings are being held. They also ensure that appropriate motions are filed on behalf of the child so the court knows about any changes in the child's situation.

Steve also spent many hours as a **hospice volunteer** providing a listening ear, a hand to hold, reading to patients and the presence of a caring heart to those facing the uncertainties of their final days.

Steve has donated **gallons** of blood to the **American Red Cross** and supports the **Children's Blind Mission**.
